

ORIGIN OF THE POTATO.

It is a Native of America, and Was First Found Near Quito.

The potato is one of the most important of cultivated plants, and in universal cultivation in temperate parts of the globe, says the American Rural Home. It is a native of mountain districts of tropical and sub-tropical America, probably from Chili to Mexico, but there is some question as to where it is really indigenous. Humboldt doubted if it had ever been found truly wild, but subsequent travelers of high scientific reputation express themselves thoroughly satisfied. Maize and potatoes are the two greatest gifts which America has given to the rest of the world.

The potato has been cultivated in America, and its tubers used for food from time long anterior to the discovery of America by Europeans. It seems to have been first brought to Europe by the Spaniards from the neighborhood of Quito in the sixteenth century. No more important event of its history has ever taken place than the introduction of potato culture into Great Britain and other European countries. It was long called "batatas," or sweet potato, which is the name of the plant native to the middle of the seventeenth century. It appears to have been brought to Ireland from Virginia by Hawkins in 1657, and to England by Sir Francis Drake in 1620.

A Good Cough Syrup.

There is nothing parents should be so careful about as selecting a cough syrup. Beegs' Cherry Cough Syrup, costs no more than a cheap one, but its best nostrums brown on the market. The best is none too good, be sure and get BEEGS' CHERRY COUGH SYRUP. It keeps it on hand at all times. R. S. Hale & Co.,

The blood is the source of health. Keep it pure by taking Beegs' Sarsaparilla, which is peculiar in its curative power.

Unsurpassed in the World.

The vestibular trains of the Chicago, Milwaukee & St. Paul railway, running daily between Chicago, St. Paul and Minneapolis and Milwaukee and Chicago, are the perfection of modern railway equipment, and are unsurpassed in the world. They consist of elegant day coaches, Pullman's latest and best sleeping cars and the finest dining cars in the country. These trains are lighted by electricity and heated by steam, and afford to the traveler every comfort and convenience to be had at the very best hotels. All classes of tickets are honored on these trains and the rates are no higher than on other lines. It is for this reason that discriminating travelers patronize this company and use their tickets read over its line, as they naturally want the best service for their money.

Heretofore Strength

Continually on the strain, or overtaxed at intervals, is far less desirable than ordinary vigor perpetuated by rational diet and exercise, and abstention from excess. Professional pugilists and athletes rarely attain old age. As ordinary vigor may be retained by a wise regard for sanitary living, and for the protection against disease which timely and judicious medication affords, so also it may be lost through prolonged sedentary labor, uninterrupted mental strain, and foolish eating and drinking, the chief and most immediate sequence of all four being dyspepsia. For this condition, thus, or in any way induced, and for its offspring, a failure of muscular and nerve power, Host's Stomach Bitters is the prime and

most genial of remedies. Not only indigestion, but loss of flesh, appetite and sleep are remedied by it. Impaired malaria, rheumatism are banished, and kidney, bowel and liver complaint removed by it.

Woman's Discovery.

"Another wonderful discovery has been made, and that, too, by a lady in this county. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking the first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Latz." Thus writes W. C. Haurick & Co. of Shelby, N. C. Get a free trial bottle at R. S. Hale & Co.'s drug store.

The Verdier Unanimous.

W. D. Sait, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism. He adds their testimony, saying: 'I have been hauled in my twenty years' experience, is Electric Bitters.' " Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only half a dollar a bottle at R. S. Hale & Co.'s drug store.

Winter Excursions to California.

On the 15th day of every month the Northern Pacific Railway company will sell excursion tickets to San Francisco and return at \$75 to Los Angeles and return \$94. These tickets have an extreme limit of six months from date of issuance and can be used going any time within sixty (60) days from date of sale. Stopovers allowed at any point desired—either going or returning—within limit of ticket. Excursionists have choice of two routes from Portland—by steamer, or by rail, via the famous Mount Shasta route.

Best in mind that the Northern Pacific is the only line running through sleeping and dining cars to the Pacific coast.

A. D. EDGAR, General Agent.

What a Fortune.

Is a good healthy, pearly skin. Few are aware of the short time it takes for a disordered liver to cause blotches on the face, and a dark greasy skin. One bottle of BEEGS' BLOOD PURIFIER and BLOOD MAKER will restore this organ to its natural and healthy state, and cleanse the blood of all impurities. It is meeting with wonderful success. We guarantee every bottle. R. S. Hale & Co., Druggists.

Commendable.

All claims not consistent with the high character of Syrup of Figs are purposely avoided by the California Fig Syrup company. It acts gently on the bowels, liver and bowels, cleansing the system effectively, but it is not a cure-all and makes no pretensions that every bottle will not substantiate.

Wood's Sarsaparilla is purely a vegetable preparation, being free from injurious ingredients. It is peculiar in its curative power.

Notice to Clergymen.

All clergymen who wish to make application for annual half-fare permits for 1890 over the Union Pacific lines, are hereby requested to call at this office, 28 North Main street. A. E. VEAZIE, Passenger Agent.

Beegs' Cherry Cough Syrup.

Is giving splendid satisfaction to the trade and the sales are positively marvelous, which can be accounted for in no other way except that it is without doubt the best on the market. Ask for and be sure you get the genuine. We keep it. R. S. Hale & Co., Druggists.

For chapped hands, roughness of the skin, pimples or blotches of any kind on the face or other parts of the body, apply Beegs' Cherry Cough Syrup, which is magic and is warranted by druggists. Sold by R. S. Hale & Co., wholesale and retail druggists, Helena.

Do you suffer with catarrh? You can be cured if you take Beegs' Sarsaparilla, the great blood purifier. Sold by all druggists.

The above bright and benevolent face, is Dr. A. E. Veazie, of England, discoverer of the celebrated Beegs' English Remedy for Consumption and other popular preparations. Dr. Acker practiced in his younger days among the middle classes of London, and was the means of doing great good, but his health failed and he found himself in the grasp of consumption, with a wife and child depending upon him for support.

While in this condition, he discovered the celebrated Beegs' English Remedy, and he has since saved the lives of thousands who were on the sure road to death. Any man or woman who feels a tickling in the throat, who coughs, especially in the morning, who rises or has a tight feeling across the chest, who has sharp shooting pains through the lungs or difficulty in breathing, should realize that these are the first symptoms of consumption which, if neglected, are sure to result fatally. Dr. Acker's English Remedy has cured more than one thousand persons who were given up by their friends. It merits its popularity and is sold by reputable druggists in every city and town in America. You can't afford to be without it.
